

AMAZING EARTHFEST - 2007

**About Amazing Earthfest****Events Schedule****Maps & Directions****Photo Gallery****Links****Archives**

Schedule of Events May 21-26, 2007

Grand Staircase-Escalante National Monument ~
www.ut.blm.gov/monument

Cat Stair Canyon Petroglyphs

Date: Saturday, May 19

Time: 9 a.m. to 3 p.m.

Location: Kanab Visitor Center and Cat Stair Canyon

Difficulty: Easy

Description: A short presentation of rock art by GSENM archaeologist Marietta Eaton at the Kanab Visitor Center will prepare you for a visit to a prehistoric site at Cat Stair Canyon. After a short hike, we will spend time documenting a pictograph site and talking about contemporary Native American and archaeologist perceptions of these enigmatic images. Bring water, lunch & writing implements.

Wildlife Tracking

Date: Tuesday, May 22

Time: 10 a.m. to Noon

Location: Meet at Devils Garden, 13 miles down Hole-in-the-Rock Road, east of Escalante.

Difficulty: easy

Description: See the unseen as you track elusive wildlife, such as mountain lion and coyote at Devils Garden with Ranger Larry Glickman. Learn how to identify various animals based entirely on the tracks they leave behind.

Utah's Emerging Window into the Late Cretaceous

Date: Wednesday, May 23

Time: 7 p.m. to 8 p.m.

Location: Kanab Visitor Center

Description: The last seven years have seen a renaissance in the Monument's Late Cretaceous macro-vertebrate paleontology. Numerous new species of dinosaurs and other larger vertebrates have been found leading scientists to some surprising conclusions about southern Utah 75 million years ago. Find out from GSENM paleontologist Dr. Alan Titus about the Monument's role in dinosaur paleontology.

[Top of Page](#)

Paleontology Lab Open House

Date: Thursday, May 24

Time: 2 p.m. to 5 p.m.

Location: GSENM Headquarters Laboratory

Description: GSENM paleontologist Dr. Alan Titus shares how finding and digging dinosaurs is less than half of the story. You'll see how fossil bones are removed from their rocky tombs and brought back to life.

Sharks Among the Sagebrush

Date: Thursday, May 24

Time: 9 to 10 a.m. lecture with optional field trip from 10 a.m. to 3 p.m.

Place: Cannonville Visitor Center

Difficulty: easy to moderate

Hey kids! Bring your parents along and join Ranger Dave on a trip into the Monument's geologic past. Participate in activities and examine some of the evidence that speaks of a long-ago time when these lands knew oceans, sharks, and sea monsters!

After the Visitor Center program, a field trip out to Grosvenor Arch is optional. The optional field trip requires a high-clearance vehicle for some dirt-road-driving (kids will have to let their parents drive).

Bring water, a hat, sunscreen and lunch. Wear sturdy boots/shoes for some moderate hiking. Field trip will be from 10:30 AM to approximately 3 PM, travel time included.

Geared towards kids 6-12, but open to kids of all ages!

GPS Class

Date: Friday, May 25

Time: 6 p.m. to 7 p.m.

Location: Kanab Visitor Center

Description: Bring your GPS. Learn how get here, there and back again. A short presentation on how GPS works will be followed by a fun outside demonstration.

Coffee with a Ranger

Date: Saturday, May 26

Time: 8 a.m. to 9 a.m.

Place: Calf Creek Campground

Plan your adventure for the day over a cup of coffee or hot chocolate with a ranger.
